Exhibitor Guidelines

- Showtime Event and Display Services is not responsible for voltage fluctuations or power failures caused by temporary conditions or loose connections.
 - For your protection, you should install a surge protector/over-under voltage protector on your computer(s) and other equipment as you deem necessary. Installations and connections to all electrical services should be made by Showtime personnel. Showtime will not be responsible for any damage or loss of equipment, components, computer hardware, software or data and injury to any person caused by the installation, connection or plugging into any electrical outlet by persons other than Showtime personnel.
 - All electrical outlets will be installed on the floor on the back wall of in-line booths and peninsula spaces. Exhibitors with complex wall spaces must arrange for power to be dropped from the ceiling inside the booth if necessary. Overhead power to island booths will be settled in one central location per the exhibitor's floor plan. If no plan is provided, power will be dropped at our discretion.
 - All wiring, motors, electrical installations, etc., must be approved. Exhibitors cannot add wattage except as ordered to prevent circuit overloading.
 - All Showtime, column, and/or wall outlets for lighting are not part of the Exhibitor's display space and cannot power equipment. A separate outlet must be ordered for each piece of equipment to be connected.
 - The exhibitor's equipment should be appropriately tagged and wired with complete information about current, voltage, phase, cycle, horsepower, etc., and ready for connection.
 - Electrical service cannot be guaranteed one day before the event opening due to temporary conditions during set-up.
- If you are in doubt about the safety or suitability of any electrical equipment or hook-up, please contact Showtime personnel before operating such equipment or connections.

Pre & Post Show Storage FAQ

Pre-Show

What information do I need to place an order?

To order Pre-Show Storage, you will need the following:

The number of pieces.

The dimensions of the pieces.

The Carrier's name.

Tracking number(s) for the shipment.

What if I need some information?

Order with the information that you have now, and update us once you know more. Example: You don't have the final weight for your shipment. Give your best estimate, and then we will update your charges when your shipment has arrived and weighed.

Why do you need the Carrier's name and tracking number for my shipment?

Having the carrier's name and tracking number for your shipment allows us to locate and alert you if your shipment has yet to be delivered in the days leading up to the Pre-Show Storage deadline.

What happens if my shipment arrives after the Pre-Show Storage Deadline?

We will do everything we can to get your shipment to the site on time for the show. However, extra charges may be assessed if additional measures need to be taken to deliver your shipment.

What happens to my shipment once it has been delivered?

Once your shipment has been received at our warehouse, it will be weighed, cataloged in our system and stored in a secure area. When we set up the show, our team will transport your shipments to the show site and deliver the items to your booth.

Post-Show

What information do I need to use your Post Show Storage?

You will need:

Contractor carrier documents.

Address labels – these are provided by Exhibitor Services before the Exhibitor Move Out.

Customs documents if your shipment is leaving Canada.

What do I need to do during Exhibitor Move Out?

Before Exhibitor Move-out, return the Materials Handling Agreement to Exhibitor Services and collect your address labels.

We will deliver your stored crates and boxes to your booth. Please let us know if you need plastic wrap or tape; our team will provide the items.

Once your team has packed the shipment for transport, label your items with the provided Showtime labels and check in with the Exhibitor's services team to review your paperwork and sign your shipment.

Schedule your shipment to be picked up by your Carrier using our warehouse address.

What will happen to my shipment after the Exhibitor move out?

Our team will collect the shipment from your booth and load it onto our trucks for transport.

Once your shipment arrives at our warehouse, it will be weighed and sorted for carrier pickup.

When your Carrier arrives, our team will load the shipment for transport.

When can my shipment be picked up?

Your Carrier can pick up the shipment the next business day after Exhibitor Move-out. Shipments must be picked up three business days after Exhibitor Move-out.

LIMITS OF LIABILITY & RESPONSIBILITY

One.

Showtime Event & Display and its subcontractors shall not be responsible for damage due to uncrated materials, improperly packaged materials, glass breakage, or concealed damage.

Two.

Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by Showtime or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there may be a lapse of time between the completion of packing and the actual pickup of materials from the booth from loading onto a designated carrier. It is understood that during such times, the shipment(s) will be left unattended in the booth.

Therefore, it is agreed that Showtime and its subcontractors are not responsible for the loss or disappearance of Exhibitor's materials after the same have been delivered to the Exhibitor's booth, nor are Showtime and its subcontractors responsible for exhibitors' materials before they are picked up from the Exhibitor's booth for loading after the show. Consequently, all bills of lading covering outgoing shipment(s) submitted to Showtime or its subcontractors by the Exhibitor will be checked at the time of pickup from the booth and corrected where discrepancies exist.

Three.

Showtime and its subcontractors shall not be held liable for any damage incurred during equipment handling requiring special devices to load properly, place, or reload unless advance notice has been given to Showtime in time to obtain the proper equipment.

Four.

Showtime and its subcontractors shall not be responsible for loss, delay, or damage due to strikes, lockouts or work stoppages of any kind.

Five.

Showtime and its subcontractors shall not be responsible for ordinary wear and tear in handling equipment, nor for loss or damage due to fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearance or other causes beyond their control.

Six.

It is understood that Showtime and its subcontractors are not insurers. Insurance, if any, shall be obtained by the Exhibitor. Amounts payable by Showtime hereunder are based on the scope of liability as herein set forth and unrelated to the value of the Exhibitor's property. It is further understood and agreed that Showtime.

Showtime and its subcontractors do not provide for full liability should loss or damage occur.

It is agreed that if Showtime or its subcontractors should be found liable for loss or damage to the Exhibitor's equipment, the liability should be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$0.30 per pound per article, with a maximum liability of \$50.00 per item or \$1000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy.

Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to the property through performance or non-performance of obligations imposed by the offering of services to exhibitors from negligence, active or otherwise, by Showtime, its subcontractors, or their employees

Seven.

Showtime and its subcontractors shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues or for any collateral costs that may result from any loss or damage to Exhibitor's materials which may make it impossible or impractical to exhibit same.

Eight.

Claims for loss or damage must be submitted to Showtime by the close of the show. No suit or action shall be brought against Showtime or its subcontractors more than one year after the cause of action.

Nine.

The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its materials, that Showtime and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. Accordingly, if any Showtime employee or subcontractors shall sign a delivery receipt, bill of lading, or another document, we agree that Showtime or its subcontractor will do so as the Exhibitors agent, and the Exhibitor accepts the responsibility thereof.

Ten.

Showtime and subcontractors shall not be liable for shipments received without receipts, freight bills, or specified unit counts on receipts or freight bills, such as courier or van lines. Such shipments will be delivered to the booth without a guarantee of piece count or condition.
